The accompanying federal income tax return does **NOT** constitute a financial statement. We have not audited, reviewed or compiled the accompanying income tax return and, accordingly, do not express an opinion or any other form of assurance on it.

An income tax return is not intended to constitute financial statements prepared in accordance with generally accepted accounting principles. Accordingly, it does not necessarily include all financial information or disclosures required by generally accepted accounting principles. If the omitted financial information or disclosures were included with the tax return, they might influence the users' conclusions about the taxpayer's financial position, results of operations and cash flows. Accordingly, this income tax return is not designed to be used in lieu of financial statements.

Enclosed is the 2017 Exempt Organization return, as follows...

2017 Form 990

2017 IRS E-File Signature Authorization For An Exempt Organization (Form 8879-EO)

Please review the return for completeness and accuracy.

In addition, we have included a separate public disclosure copy of the Form 990 and Form 990-T (if applicable) located on Eide Bailly Connect. All exempt organizations are required to have a copy of their current year Form 990 and two prior year returns available for public inspection. If the Form 990 includes a Schedule of Contributors (Schedule B), we have removed the names and addresses of contributors from this return, as this information is not open to public inspection. Only organizations exempt under 501(c)(3) must make the current year Form 990-T and two prior year returns available. You should print and sign the public disclosure copy(ies) and keep them available at your primary office location. A copy of the returns will be retained on Eide Bailly Connect for four years.

We have prepared the return from information you furnished us without verification. Upon examination of the return by tax authorities, requests may be made for underlying data. We therefore recommend that you preserve all records which you may be called upon to produce in connection with such possible examinations.

Many states require legal entities to register with them in order to do business in their state. Please remember to keep your registration active and current for each state that you have business activities.
