Independent Auditor's Report

The Board of Trustees The Road Home Salt Lake City, Utah

Report on the Audit of the Consolidated Financial Statements

Opinion

We have audited the consolidated financial statements of The Road Home, which comprise the consolidated statements of financial position as of June 30, 2022 and 2021, and the related consolidated statements of activities, functional expenses, and cash flows for the years then ended, and the related notes to the consolidated financial statements.

In our opinion, the accompanying consolidated financial statements present fairly, in all material respects, the financial position of The Road Home as of June 30, 2022 and 2021, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS) and the standards applicable to financial audits contained in *Government Auditing Standards* (*Government Auditing Standards*), issued by the Comptroller General of the United States. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Consolidated Financial Statements section of our report. We are required to be independent of The Road Home and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Consolidated Financial Statements

Management is responsible for the preparation and fair presentation of the consolidated financial statements in accordance with accounting principles generally accepted in the United States of America; and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the consolidated financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about The Road Home's ability to continue as a going concern for one year after the date that the consolidated financial statements are available to be issued.

Auditor's Responsibilities for the Audit of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS and *Government Auditing Standards* will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the consolidated financial statements.

In performing an audit in accordance with GAAS and Government Auditing Standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the consolidated financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit
 procedures that are appropriate in the circumstances, but not for the purpose of expressing
 an opinion on the effectiveness of The Road Home's internal control. Accordingly, no such
 opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the consolidated financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the
 aggregate, that raise substantial doubt about The Road Home's ability to continue as a going
 concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplementary Information

Our audit was conducted for the purpose of forming an opinion on the consolidated financial statements as a whole. The accompanying schedule of expenditures of federal awards, as required by Title 2 *U.S. Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* is presented for purposes of additional analysis and is not a required part of the consolidated financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the consolidated financial statements. The information has been subjected to the

auditing procedures applied in the audit of the consolidated financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the consolidated financial statements or to the consolidated financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the schedule of expenditures of federal awards is fairly stated in all material respects in relation to the consolidated financial statements as a whole.

Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our report dated October 26, 2022 on our consideration of The Road Home's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements, and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of The Road Home's internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering The Road Home's internal control over financial reporting and compliance.

Note 1 - Principal Activity and Significant Accounting Policies

Organization

The Road Home (TRH) is a nonprofit corporation organized under the laws of the State of Utah. TRH's mission is to help individuals and families step out of homelessness and back into the community through emergency services, personalized case management and collaboration with other community service providers.

The principal programs of TRH are as follows:

- Shelter: Shelter services provides basic short-term shelter services to those in need.
- Housing: Housing provides case management, resources and rental assistance for permanent and transitional housing clients.

Principles of Consolidation

The consolidated financial statements include the accounts of TRH and its wholly-owned single member limited liability companies, Housing Now LLC and Family Housing Solutions LLC. All significant intercompany accounts and transactions have been eliminated in consolidation. Unless otherwise noted, these consolidated entities are hereinafter referred to as TRH or the Organization.

Cash and Cash Equivalents

TRH considers all cash and highly liquid financial instruments with original maturities of three months or less, and which are neither held for nor restricted by donors for long-term purposes, to be cash and cash equivalents. Cash and highly liquid financial instruments restricted to capital expenditures, endowments that are perpetual in nature, or other long-term purposes of TRH are excluded from this definition.

Grants and Contracts Receivable

TRH receives substantial funding through federal, state, and other grants and contracts. The majority of these grants and contracts operate on a cost reimbursement basis. Generally, grants and contracts receivable and the related revenues are recorded when the applicable expenses to grant awards have been incurred. Certain grants require that TRH match the funds received with other funds in varying percentages. Management determines the allowance for uncollectible grants and contracts receivable based on historical experience, an assessment of economic conditions and a review of subsequent collections. At June 30, 2022 and 2021, the allowance was \$0.

Promises to Give

TRH records unconditional promises to give expected to be collected within one year at net realizable value. Unconditional promises to give expected to be collected in future years are initially recorded at fair value using present value techniques incorporating risk-adjusted discount rates designed to reflect the assumptions market participants would use in pricing the asset. In subsequent years, amortization of the discounts is included in contribution revenue (private donors) in the consolidated statements of activities. Management determines the allowance for uncollectible promises to give based on historical experience, an assessment of economic conditions, and a review of subsequent collections. Promises to give are written off when deemed uncollectible. At June 30, 2022 and 2021, the allowance was \$0.

Property and Equipment

TRH records property and equipment additions over \$5,000 at cost or, if donated, at fair value on the date of donation. Depreciation and amortization are computed using the straight-line method over the estimated useful lives of the assets ranging from 5 to 30 years or, in the case of capitalized leased assets or leasehold improvements, the lesser of the useful life of the asset or the lease term. When assets are sold or otherwise disposed of, the cost and related accumulated depreciation or amortization are removed from the accounts, and any resulting gain or loss is included in the consolidated statements of activities. Costs of maintenance and repairs that do not improve or extend the useful lives of the respective assets are expensed currently.

TRH reviews the carrying values of property and equipment for impairment whenever events or circumstances indicate that the carrying value of an asset may not be recoverable from the estimated future cash flows expected to result from its use and eventual disposition. When considered impaired, an impairment loss is recognized to the extent carrying value exceeds the fair value of the asset. There were no indicators of asset impairment during the years ended June 30, 2022 and 2021.

Beneficial Interest in Assets Held by Affiliated Organization

TRH and donors have transferred funds to an affiliated organization, the Jon M. Huntsman Family Community Shelter Trust (the Huntsman Trust), for the benefit of TRH. TRH has evaluated the terms of the agreements governing the funds held by the Huntsman Trust for the benefit of TRH and recognizes its rights to the assets (financial or nonfinancial) held by the Huntsman Trust as an asset unless the Huntsman Trust is explicitly granted variance power, that is, the unilateral power to redirect the use of the transferred assets to another beneficiary. Because TRH and the Huntsman Trust are financially interrelated organizations and variance power is not granted to the Huntsman Trust, TRH recognizes its interest in the net assets of the Huntsman Trust and adjusts that interest for its share of the change in net assets of the Huntsman Trust related to the transferred assets.

Investments

TRH records investment purchases at cost or, if donated, at fair value on the date of donation. Thereafter, investments are reported at their fair values in the consolidated statements of financial position. Net investment return (loss) is reported in the consolidated statements of activities and consists of interest and dividend income, realized and unrealized capital gains and losses, less external and direct internal expenses.

Net Assets

Net assets, revenues, gains, and losses are classified based on the existence or absence of donor-imposed restrictions. Accordingly, net assets and changes therein are classified and reported as follows:

Net Assets Without Donor Restrictions – Net assets available for use in general operations and not subject to donor (or certain grantor) restrictions. The Board of Trustees has designated, from net assets without donor restrictions, net assets for use in investment in property and equipment, net of related debt.

Net Assets With Donor Restrictions – Net assets subject to donor (or certain grantor) restrictions. Some donor imposed (or grantor) restrictions are temporary in nature, such as those that will be met by the passage of time or other events specified by the donor. Other donor restrictions are perpetual in nature, where the donor stipulates that resources be maintained in perpetuity. The Organization reports contributions restricted by donors as increases in net assets without donor restrictions if the restrictions expire (that is, when a stipulated time restriction ends or purpose restriction is accomplished) in the reporting period in which the revenue is recognized. All other donor-restricted contributions are reported as increases in net assets with donor restrictions, depending on the nature of the restrictions. When a restriction expires, net assets with donor restrictions are reclassified to net assets without donor restrictions and reported in the statements of activities as net assets released from restrictions.

Revenue and Revenue Recognition

Program income is billed monthly for property management services provided that month. Accordingly, revenue for property management services is recognized each month as the services are provided over time and the performance obligation is met. Any program income received in advance is deferred to the applicable period in which the related services are provided. There was no deferred program income at June 30, 2022 and 2021. TRH records special events revenue equal to the cost of direct benefits to donors, and contribution revenue for the difference.

Contributions are recognized when cash, securities or other assets, an unconditional promise to give, or notification of a beneficial interest is received. Conditional promises to give, that is, those with a measurable performance or other barrier, and a right of return, are not recognized until the conditions on which they depend have been substantially met. TRH's federal and state contracts and grants are conditioned upon certain performance requirements and the incurrence of allowable qualifying expenses. Consequently, at June 30, 2022 and 2021, conditional contributions approximating \$5,383,750 and \$3,466,515, respectively, for which no amounts had been received in advance, have not been recognized in the accompanying consolidated financial statements.

Donated Services and In-Kind Contributions

Volunteers contribute significant amounts of time to TRH's program services, administration, and fundraising and development activities; however, the consolidated financial statements do not reflect the value of these contributed services because they do not meet recognition criteria prescribed by generally accepted accounting principles. Contributed goods are recorded at fair value at the date of donation. TRH records donated goods at the respective fair values of the goods received (Note 14).

Functional Allocation of Expenses

The costs of program and supporting services activities have been summarized on a functional basis in the consolidated statements of activities. The consolidated statements of functional expenses present the natural classification detail of expenses by function. Accordingly, certain costs have been allocated among the programs and supporting services benefited. The consolidated financial statements report certain categories of expenses that are attributed to more than one program or supporting function. Therefore, expenses require allocation on a reasonable basis that is consistently applied. The expenses that are allocated include personnel expenses, assistance, contract services, conferences and meetings, depreciation, dues and subscriptions, grants to other nonprofits, insurance, professional fees, rent, repairs and maintenance, supplies, telephone, training, transportation, and utilities, which are allocated on the basis of estimates of time and effort.

Income Taxes

TRH is organized as a Utah nonprofit corporation and has been recognized by the Internal Revenue Service (IRS) as exempt from federal income taxes under IRC Section 501(a) as an organization described in IRC Section 501(c)(3), qualifies for the charitable contribution deduction and has been determined not to be a private foundation. TRH is annually required to file a Return of Organization Exempt from Income Tax (Form 990) with the IRS. In addition, the entity is subject to income tax on net income that is derived from business activities that are unrelated to their exempt purposes. The entity has determined it is not subject to unrelated business income tax and has not filed an Exempt Organization Business Income Tax Return (Form 990-T) with the IRS.

Housing Now LLC and Family Housing Solutions LLC are limited liability companies. As such, the tax effects accrue directly to its member, TRH, and no tax provision is recorded in the accompanying consolidated financial statements.

Each entity believes that it has appropriate support for any tax positions taken affecting its annual filing requirements and, as such, does not have any uncertain tax positions that are material to the consolidated financial statements. TRH would recognize future accrued interest and penalties related to unrecognized tax benefits and liabilities in income tax expense if such interest and penalties are incurred.

Estimates

The preparation of the consolidated financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities at the date of the consolidated financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates and those differences could be material.

Financial Instruments and Credit Risk

Deposit concentration risk is managed by placing cash, money market accounts, and certificates of deposit with financial institutions believed by management to be creditworthy. At times, amounts on deposit may exceed insured limits or include uninsured investments in money market mutual funds. To date, no losses have been experienced in any of these accounts. Credit risk associated with grants and contracts receivable and promises to give is considered to be limited due to high historical collection rates and because substantial portions of the outstanding amounts are due from governmental agencies and foundations supportive of TRH's mission. Investments are made by diversified investment managers whose performance is monitored by management and the Board of Trustees. Although the fair values of investments are subject to fluctuation on a year-to-year basis, management and the Board of Trustees believe that the investment policies and guidelines are prudent for the long-term welfare of TRH.

Reclassifications

Certain reclassifications of amounts previously reported have been made to the accompanying consolidated financial statements to maintain consistency between periods presented. The reclassifications had no impact on previously reported net assets.

Adoption of New Accounting Standard

As of July 1, 2020, the Organization adopted the provisions of Accounting Standards Update (ASU) 2020-07, *Not-for-Profit Entities (Topic 958) Presentation and Disclosures by Not-for-Profit Entities for Contributed Nonfinancial Assets.* The standard requires enhanced presentation and disclosure of contributed nonfinancial assets. Management has adopted the amendments of this update on a retrospective basis because it provides increased and more transparent disclosure around contributed nonfinancial assets. There were no significant changes to the consolidated financial statements based on the adoption of this standard.

Subsequent Event

TRH has evaluated subsequent events through October 26, 2022, the date the consolidated financial statements were available to be issued.

Note 2 - Liquidity and Availability

Financial assets available for general expenditure, that is, without donor or other restrictions limiting their use, within one year of the statement of financial position date, comprise the following:

	2022	2021
Cash and cash equivalents Grants and contracts receivable Due from related parties Promises to give	\$ 671,492 5,366,467 416,518 188,534	\$ 1,773,792 4,631,429 506,079 155,019
	\$ 6,643,011	\$ 7,066,319

As part of a liquidity management plan, cash in excess of daily requirements is invested in short-term investments, CDs, and money market funds and other investments deemed to be prudent and conservative by the Board of Trustees. TRH has an endowment which totals \$717,256 and \$902,802 at June 30, 2022 and 2021, respectively, (Note 12) – of these amounts, \$505,720 is required to be maintained in perpetuity and \$211,536 and \$397,082, respectively, is available for unrestricted purposes. At June 30, 2022 and 2021, TRH also has beneficial interest in assets held by affiliated organization of \$12,696,109 and \$14,063,125, respectively (Note 11) - of this amount \$12,759,418 and \$11,759,418, respectively, are required to be maintained in perpetuity and, \$0 and \$2,303,707, respectively, are available to support the shelter operated by TRH.

Note 3 - Fair Value Measurements and Disclosures

Certain assets are reported at fair value in the consolidated financial statements. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction in the principal, or most advantageous, market at the measurement date under current market conditions regardless of whether that price is directly observable or estimated using another valuation technique. Inputs used to determine fair value refer broadly to the assumptions that market participants would use in pricing the asset or liability, including assumptions about risk. Inputs may be observable or unobservable. Observable inputs are inputs that reflect the assumptions market participants would use in pricing the asset or liability based on market data obtained from sources independent of the reporting entity. Unobservable inputs are inputs that reflect the reporting entity's own assumptions about the assumptions market participants would use in pricing the asset or liability based on the best information available. A three-tier hierarchy categorizes the inputs as follows:

- Level 1 Quoted prices (unadjusted) in active markets for identical assets or liabilities accessible at the measurement date.
- Level 2 Inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly. These include quoted prices for similar assets or liabilities in active markets, quoted prices for identical or similar assets or liabilities in markets that are not active, inputs other than quoted prices that are observable for the asset or liability, and market-corroborated inputs.

• Level 3 – Unobservable inputs for the asset or liability. In these situations, inputs are developed using the best information available in the circumstances.

In some cases, the inputs used to measure the fair value of an asset or a liability might be categorized within different levels of the fair value hierarchy. In those cases, the fair value measurement is categorized in its entirety in the same level of the fair value hierarchy as the lowest level input that is significant to the entire measurement. Assessing the significance of a particular input to entire measurement requires judgment, taking into account factors specific to the asset or liability. The categorization of an asset within the hierarchy is based upon the pricing transparency of the asset and does not necessarily correspond to TRH's assessment of the quality, risk or liquidity profile of the asset or liability.

A significant portion of investment assets are classified within Level 1 because they comprise open-end mutual funds with readily determinable fair values based on daily redemption values. TRH invests in CD's traded in the financial markets. Those CDs and U. S. government obligations are valued by the custodians of the securities using pricing models based on credit quality, time to maturity, stated interest rates, and market-rate assumptions and are classified within Level 2. The fair value of TRH's beneficial interest in assets held by an affiliated organization is based on the fair value of fund investments as reported by the affiliated organization. These are considered to be Level 3 measurements.

The following table presents assets measured at fair value on a recurring basis, except those measured at cost as identified below, at June 30, 2022:

			Fair Value Measurements at Report Date Using					
Assets		Total	Act fc	oted Prices in tive Markets or Identical ets (Level 1)	C	Significant Other Observable uts (Level 2)	U	Significant nobservable outs (Level 3)
Investments								
Cash and money market funds (at cost) Annuities Mutual funds	\$	88,647 1,009,777 3,676,349	\$	- - 3,676,349	\$	1,009,777 -	\$	- - -
	\$	4,774,773	\$	3,676,349	\$	1,009,777	\$	_

Beneficial Interest in Assets Held by Affiliated Organization	\$ 14,063,125	\$	-	\$	-	\$	14,063,125

Below is a reconciliation of the beginning and ending balance of assets measured at fair value on a recurring basis using significant unobservable inputs (Level 3) for the years ended June 30, 2022 and 2021:

Fair Value Measurements at Reporting Date Using Significant Unobservable Inputs (Level 3)

Year Ended June 30, 2022	Beneficial Interests in Assets Held by Affiliated Organization
Balance at June 30, 2021 Net investment loss Distributions to TRH	\$ 14,063,125 (846,647) (520,369)
Balance at June 30, 2022	\$ 12,696,109
Year Ended June 30, 2021	
Balance at June 30, 2020 Net investment return Distributions to TRH	\$ 12,171,493 2,359,826 (468,194)
Balance at June 30, 2021	\$ 14,063,125

Note 4 - Grants and Contracts Receivable

Grants and contracts receivable consist of the following at June 30, 2022 and 2021:

	 2022		2021
U.S. Department of Housing and Urban Development Salt Lake County Department of Workforce Services State of Utah Supportive Services for Veteran Families Salt Lake City U.S. Department of Homeland Security Substance Abuse and Mental Health Services Administration Other	\$ 429,746 177,900 117,400 4,268,498 150,877 171,031 - 26,725 24,290	\$	500,631 544,833 57,733 2,322,307 348,901 630,824 74,400 81,986 69,814
	\$ 5,366,467		4,631,429

Note 5 - Property and Equipment

Property and equipment consists of the following at June 30, 2022 and 2021:

	2022	2021
Building leasehold improvements Land Buildings Vehicles Furniture and fixtures Capital lease - related party Construction in progress	\$ 2,686,769 1,057,200 1,948,826 545,998 575,393 8,749,963 7,000	\$ 2,519,137 1,057,200 1,948,826 501,725 446,935 8,749,963
	15,571,149	15,223,786
Less accumulated depreciation	(3,490,791)	(2,968,933)
	\$ 12,080,358	\$ 12,254,853

Note 6 - Note Receivable - Palmer Court

TRH has loaned the Palmer Court project \$400,000 in connection with a grant received from the Federal Home Loan Bank of Seattle (FHLB). The loan is non-interest bearing, due in April 2039 and payment is subject to available cash flow. The grant from FHLB requires that the Palmer Court project commit to leasing 141 units to tenants who earn up to 30% of the area median income and 60 units to tenants who earn up to 60% of the area median income as defined by HUD. If Palmer Court fails to comply with these terms through June 2024, the grant could be required to be repaid to the FHLB.

Note 7 - Paycheck Protection Program Loan

TRH was granted a \$2,157,000 loan under the Payment Protection Program (PPP) administered by a Small Business Administration (SBA) approved partner. The loan is uncollateralized and is fully guaranteed by the Federal government. TRH initially recorded a note payable and subsequently recorded forgiveness when the loan obligation was legally released by the SBA. TRH recognized \$2,157,000 of loan forgiveness income for the year ended June 30, 2021. In accordance with PPP loan requirements, TRH is required to maintain PPP loan files and certain underlying supporting documents for periods ranging from three to six years. TRH is also required to permit access to such files upon request by the SBA. Accordingly, there is potential the PPP loan could be subject to further review by the SBA and that previously recognized forgiveness could be reversed based on the outcome of this review.

Note 8 - Note Payable – Related Party

TRH entered into a note payable agreement with the Huntsman Trust for \$1,250,000 during the year ended June 30, 2020. TRH initially recorded a note payable and subsequently recorded forgiveness when the loan obligation was released by the Huntsman Trust. TRH recognized \$1,250,000 of loan forgiveness income for the year ended June 30, 2021.

Note 9 - Notes Payable

Notes payable consist of the following at June 30, 2022 and 2021:

	 2022	 2021
Various notes payable to Olene Walker Housing Loan Fund, that were assumed by TRH upon receiving related in-kind real estate donations, non-interest bearing, principal payments are deferred indefinitely until TRH sells the properties or converts the properties to a use other than transitional or permanent housing solutions.	\$ 305,401	\$ 305,401
Note payable, principal and interest payments due in monthly installments of \$18,562, interest at 1.1%, due		
November 2023, secured by property	 294,685	 1,362,065
Less current portion	(220,608)	 (208,808)
	\$ 379,478	\$ 1,458,658

Future maturities of notes payable are as follows:

Years Ending June 30,	Amount		
2023 2024 2025 2026	\$	220,608 74,077 -	
2027 Thereafter		305,401	
	\$	600,086	

Note 10 - Leases

TRH leases equipment under various operating leases expiring at various dates through 2025. For the years ended June 30, 2022 and 2021, lease expense under these operating leases totaled \$98,969 and \$106,115, respectively.

Future minimum lease payments are as follows:

Years Ending June 30,	 perating Leases
2023 2024 2025	\$ 248,148 118,068 63,538
Total minimum lease payments	\$ 429,754

TRH leases the Midvale shelter from STH Midvale LLC, which is 100% owned by Shelter the Homeless, Inc. (STH), a related nonprofit organization through related resources and mission. The agreement between STH Midvale LLC and TRH is for TRH to make rent payments equal to the annual loan payments on the Midvale shelter loan until STH Midvale LLC pays off the loan and additionally TRH is to pay \$80 per month. TRH paid \$1,960 in rent for the years ended June 30, 2022 and 2021. TRH capitalized the Midvale shelter at \$8,749,963 in accordance with capital lease standards. As of June 30, 2022 and 2021, accumulated amortization of the capitalized fixed assets under this lease is \$1,922,798 and \$1,631,132, respectively. TRH has not recorded any capital lease obligation since the use of the shelter is being donated to TRH.

In addition, TRH was provided free use of the men's homeless resource center (MRC) and the Gail Miller resource center (GMRC) from STH, under a year to year lease agreement to operate part of its shelter program from July 1, 2021 to June 30, 2022 for the MRC and November 1, 2020 to June 30, 2022 for the GMRC. The use of these facilities is reflected as in-kind contribution on the consolidated statements of activities and rent on the consolidated statements of functional expenses.

Note 11 - Beneficial Interest in Assets Held by Affiliated Organization

In 1992, a donor made a permanently restricted contribution to TRH and stipulated that the earnings be used to benefit the shelter operated by TRH. In 1995, the original donor, TRH, and the Huntsman Trust entered into an agreement whereby the Huntsman Trust was made responsible for the investment and administration of these permanently restricted contributions.

The Huntsman Trust stipulates the trust was created to establish a perpetual fund for the Salt Lake Shelter (as defined in the trust) and that the assets designated to be held in perpetuity may only be distributed to TRH with the consent of a two thirds majority of the Board of Trustees and some additional restrictive stipulations. The earnings on the fund administered by the Huntsman Trust are to be used to benefit TRH and the operations of its shelters. TRH records net assets to be held in perpetuity as (a) the original value of gifts donated to the fund administered by the Huntsman Trust, and (b) the original value of subsequent gifts donated to the fund administered by the Huntsman Trust. The remaining portion of the donor-restricted funds is classified as net assets with donor restrictions until those amounts are appropriated for distribution.

At June 30, 2022 and 2021, TRH has recorded \$12,696,109 and \$14,063,125, respectively, as the value of the beneficial interest in the assets held in the fund administered by the Huntsman Trust relating to these donor restricted contributions. During the years ended June 30, 2022 and 2021, TRH recorded a loss of \$846,647 and a gain of \$2,359,826, respectively, as change in value of beneficial interest in the assets held by the Huntsman Trust. During the years ended June 30, 2022 and 2021, \$520,369 and \$468,194, respectively, was distributed to and received in cash by TRH. As described in Note 8, TRH entered into a note agreement for \$1,250,000 with the Huntsman Trust during the year ended June 30, 2020, which was subsequently forgiven during the year ended June 30, 2021.

From time to time, the fair value of assets associated with the beneficial interest funds may fall below the level that the donor requires the Trust to retain as a fund of perpetual duration. At June 30, 2022, a deficiency of this nature exists for the beneficial interest, which has an original gift value of \$12,759,418, a current fair value of \$12,696,109, and a deficiency of \$63,309. This deficiency resulted from unfavorable market fluctuations that occurred shortly before June 30, 2022 and continued appropriation for certain programs that was deemed prudent by TRH and the Trust.

Note 12 - Endowments

TRH's endowment consists of a fund established by donors to provide annual funding for general operations. Net assets associated with endowment funds are classified and reported based on the existence or absence of donor-imposed restrictions.

The Board of Trustees of TRH has interpreted the Utah Uniform Prudent Management of Institutional Funds Act (UPMIFA) as requiring the preservation of the fair value of the original gifts as of the date of the donor restricted endowment funds, unless there are explicit donor stipulations to the contrary. At June 30, 2022 and 2021, there were no such donor stipulations, respectively. As a result of this interpretation, TRH retains in perpetuity (a) the original value of initial and subsequent gift amounts (including promises to give net of discount and allowance for doubtful accounts) donated to the Endowment and (b) any accumulations to the Endowment made in accordance with the direction of the applicable donor gift instrument at the time the accumulation is added. Donor-restricted amounts not retained in perpetuity are subject to appropriation for expenditure in a manner consistent with the standard of prudence prescribed by UPMIFA.

The following factors are considered in making a determination to appropriate or accumulate donor-restricted endowment funds:

- The duration and preservation of the fund
- The purposes of the organization and the donor-restricted endowment fund
- General economic conditions
- The possible effect of inflation and deflation
- The expected total return from income and the appreciation of investments
- Other resources of the organization
- The investment policies of the organization

As of June 30, 2022, endowment net asset composition by type of fund is as follows:

	Without Donor Restriction		With Donor Restrictions			Total
	Restriction		Mesti ictions			
Donor-restricted endowment Original donor-restricted gift amount and amounts						
required to be maintained in perpetuity by donor Accumulated investment gains	\$	- -	\$	505,720 211,536	\$ 	505,720 211,536
	\$	_	\$	717,256	\$	717,256
As of June 30, 2021, endowment net asset composition by type of fund is as follows:						
		it Donor riction		ith Donor strictions		Total
Donor-restricted endowment Original donor-restricted gift amount and amounts						
required to be maintained in perpetuity by donor Accumulated investment gains	\$	- -	\$	505,720 397,082	\$	505,720 397,082
	\$		\$	902,802	\$	902,802

From time to time, certain donor-restricted endowment funds may have fair value less than the amount required to be maintained by donors or by law (underwater endowments). Management has interpreted UPMIFA to permit spending from underwater endowments in accordance with prudent measures required under law. As of June 30, 2022 and 2021, there were no such deficiencies.

Investment and Spending Policies

Investment and spending policies for the Endowment were adopted that attempt to provide a predictable stream of funding for operations while seeking to maintain the purchasing power of the endowment assets. Over time, long-term rates of return should be equal to an amount sufficient to maintain the purchasing power of the Endowment assets, to provide the necessary capital to fund the spending policy, and to cover the costs of managing the Endowment investments. A significant portion of the funds are invested to seek growth of principal over time.

Changes in Endowment net assets for the year ending June 30, 2022, are as follows:

	 t Donor iction	 ith Donor estrictions	Total
Endowment net assets, beginning of year Investment return, net	\$ -	\$ 902,802	\$ 902,802
Investment income, net of fees Net realized and unrealized loss	- -	12,895 (198,441)	12,895 (198,441)
		 (185,546)	 (185,546)
Endowment net assets, end of year	\$ 	\$ 717,256	\$ 717,256

Changes in Endowment net assets for the year ending June 30, 2021, are as follows:

	Without Restric		 ith Donor estrictions	Total
Endowment net assets, beginning of year Investment return	\$	-	\$ 658,479	\$ 658,479
Investment income (loss), net of fees Net realized and unrealized gain		- -	(5,323) 249,646	(5,323) 249,646
		_	244,323	244,323
Endowment net assets, end of year	\$		\$ 902,802	\$ 902,802

Note 13 - Net Assets with Donor Restrictions

Net assets with donor restrictions are restricted for the following purposes or periods:

	2022	2021	
Subject to Expenditure for Specified Purpose Note receivable - Palmer Court House 20 - housing National Charity League LDS - identification documentation	\$ 400,000 5,265 14,650 - 419,915	\$ 400,000 64,849 - 4,051 468,900	
Subject to the Passage of Time Individual pledges	188,534 188,534	155,019 155,019	
Endowments and Beneficial Interest in Assets Subject to endowment spending policy and appropriation Available for general use Huntsman Trust St. Benedict and Gallivan	- 211,536	2,303,707 397,082	
	211,536	2,700,789	
Perpetual in nature, earnings from which are subject to endowment spending policy appropriation Huntsman Trust St. Benedict and Gallivan	12,696,109 505,720 13,201,829 \$ 14,021,814	11,759,418 505,720 12,265,138 \$ 15,589,846	

Note 14 - Donated Rent, Professional Services and Materials

Donated rent, professional services and materials received during the years ended June 30, 2022 and 2021, are as follows:

	Program Services	Management and General	Fundraising	Total
Year Ending June 30, 2022				
Rent Blankets Miscellaneous	\$ 1,277,154 27,696 28,781	\$ - - -	\$ - - -	\$ 1,277,154 27,696 28,781
	\$ 1,333,631	\$ -	\$ -	\$ 1,333,631
	Program Services	Management and General	Fundraising	Total
Year Ending June 30, 2021				
Tear Enaing June 30, 2021				
Rent Blankets Miscellaneous	\$ 378,658 12,201 10,140	\$ 8,757 - -	\$ 730 - -	\$ 388,145 12,201 10,140

No property and equipment was donated during the years ended June 30, 2022 and 2021.

TRH was provided free use of the Men's Homeless Resource Center (MRC) from STH, under year to year lease agreements to operate part of its shelter program during the years ended June 30, 2022 and 2021. TRH was also provided free use of the Gail Miller Resource Center from November 1, 2020 to June 30, 2022 for the GMRC. The use of these facilities is reflected as in-kind contribution on the consolidated statements of activities and rent on the consolidated statements of functional expenses. Subsequent to year end, TRH extended these lease agreements for an additional year.

Note 15 - Employee Benefits

TRH sponsors a tax-deferred annuity plan (the Plan) qualified under IRC Section 403(b) covering substantially all employees. Employees are eligible to participate in the Plan if they have completed two months of service and normally work more than 20 hours per week, and may voluntarily contribute up to the maximum contribution allowed by the IRS. Employer contributions are discretionary and are determined and authorized by the Board of Trustees each plan year. During the years ended June 30, 2022 and 2021, TRH provided matching and discretionary contributions to participants. Total expense related to the Plan for the years ending June 30, 2022 and 2021, was \$369,502 and \$327,366, respectively.

Note 16 - Related Party Transactions

TRH leases the MRC from STH for \$1 per month. TRH has entered into lease agreements with STH from July 01, 2020 through June 30, 2021 and from July 1, 2021 through June 30, 2022, and TRH estimates the fair value of the donated space for these years to be \$694,935. During the year ended June 30, 2022, TRH recorded in-kind contributions and in-kind expense of \$694,935 to reflect the estimated fair value of this lease transaction. For the year ended June 30, 2021, TRH recorded a beginning receivable balance and current period in-kind expense totaling \$694,935 to reflect the estimated fair value of this lease transaction.

TRH leases the Gail Miller resource center from STH for \$10 annually. TRH has entered into lease agreements with STH from November 1, 2020 through June 30, 2021 and from July 1, 2021 through June 30, 2022, and TRH estimates the fair value of the donated space for these periods to be \$388,145 and \$582,219, respectively. During the years ended June 30, 2022 and 2021, TRH has recorded in-kind contributions and corresponding in-kind expense totaling \$582,219 and \$388,145, respectively, to reflect the estimated fair value of this lease transaction.

As more fully described in Note 10, TRH leases the Midvale shelter from STH Midvale LLC, which is 100% owned by STH.

For the years ended June 30, 2022 and 2021, TRH recorded management and administration fee revenue in the amounts of \$204,865 and \$158,215, respectively, from Palmer Court, STH Wendell, LLC, and STH Magnolia, LLC.

As more fully described in Note 6, TRH has a long-term note receivable from Palmer Court totaling \$400,000 at June 30, 2022 and 2021.

Due from related parties totaled \$416,518 and \$504,608 at June 30, 2022 and 2021, respectively, representing amounts due from STH, Palmer Court and the Wendell Apartments. Amounts are non-interest bearing.

At June 30, 2022 and 2021, TRH has a payable to STH of \$0 and \$51,057, respectively, for security services provided to the downtown shelter and the men's homeless resource center.

Note 17 - Concentrations

A significant portion of TRH's support is provided through government grants and contracts. A loss of this support would have a materially adverse effect on TRH.

Note 18 - Contingencies and Commitments

TRH has received various in-kind contributions of residential real estate from housing authorities to be used for the purpose of providing housing solutions to those served by TRH. The agreements require TRH to use the real estate for low-income housing purposes. If TRH sells the properties, it will have to pay \$305,401 to The Olene Walker Housing Loan Fund.

As more fully described in Note 6, TRH received a grant from FHLB which was then loaned to Palmer Court. Palmer Court must comply with the leasing commitments through June 2024 or the grant could be required to be repaid.

The Road Home

Independent Auditor's Report on Internal Control over Financial Reporting and on Compliance and Other Matters Based on an Audit of Financial Statements Performed in Accordance with Government Auditing Standards

The Board of Trustees and Management of The Road Home Salt Lake City, Utah

We have audited in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States, the consolidated financial statements of The Road Home, which comprise the consolidated statements of financial position as of June 30, 2022 and 2021, and the related consolidated statements of activities, functional expenses, and cash flows for the years then ended, and the related notes to the consolidated financial statements, and have issued our report thereon dated October 26, 2022.

Report on Internal Control over Financial Reporting

In planning and performing our audit of the consolidated financial statements, we considered The Road Home's internal control over financial reporting (internal control) as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the consolidated financial statements, but not for the purpose of expressing an opinion on the effectiveness of The Road Home's internal control. Accordingly, we do not express an opinion on the effectiveness of The Road Home's internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's consolidated financial statements will not be prevented, or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any

deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Report on Compliance and Other Matters

As part of obtaining reasonable assurance about whether The Road Home's consolidated financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the consolidated financial statements. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

Salt Lake City, Utah

October 26, 2022

Independent Auditor's Report on Compliance for Each Major Federal Program; Report on Internal Control Over Compliance Required by the Uniform Guidance

The Board of Trustees The Road Home Salt Lake City, Utah

Report on Compliance for Each Major Federal Program

We have audited The Road Home's compliance with the types of compliance requirements identified as subject to audit in the OMB *Compliance Supplement* that could have a direct and material effect on each of The Road Home's major federal programs for the year ended June 30, 2022. The Road Home's major federal programs are identified in the summary of auditor's results section of the accompanying schedule of findings and questioned costs.

In our opinion, The Road Home complied, in all material respects, with the compliance requirements referred to above that could have a direct and material effect on each of its major federal programs for the year ended June 30, 2022.

Basis for Opinion on Each Major Federal Program

We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America (GAAS); the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States (*Government Auditing Standards*); and the audit requirements of Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Our responsibilities under those standards and the Uniform Guidance are further described in the Auditor's Responsibilities for the Audit of Compliance section of our report.

We are required to be independent of The Road Home and to meet our other ethical responsibilities, in accordance with relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on compliance for each major federal program. Our audit does not provide a legal determination of The Road Home's compliance with the compliance requirements referred to above.

Responsibilities of Management for Compliance

Management is responsible for compliance with the requirements referred to above and for the design, implementation, and maintenance of effective internal control over compliance with the requirements of laws, statutes, regulations, rules and provisions of contracts or grant agreements applicable to The Road Home's federal programs.

Auditor's Responsibilities for the Audit of Compliance

Our objectives are to obtain reasonable assurance about whether material noncompliance with the compliance requirements referred to above occurred, whether due to fraud or error, and express an opinion on The Road Home's compliance based on our audit. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS, *Government Auditing Standards*, and the Uniform Guidance will always detect material noncompliance when it exists. The risk of not detecting material noncompliance resulting from fraud is higher than for that resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Noncompliance with the compliance requirements referred to above is considered material, if there is a substantial likelihood that, individually or in the aggregate, it would influence the judgment made by a reasonable user of the report on compliance about The Road Home's compliance with the requirements of each major federal program as a whole.

In performing an audit in accordance with GAAS, *Government Auditing Standards*, and the Uniform Guidance, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material noncompliance, whether due to fraud or error, and
 design and perform audit procedures responsive to those risks. Such procedures include
 examining, on a test basis, evidence regarding The Road Home's compliance with the
 compliance requirements referred to above and performing such other procedures as we
 considered necessary in the circumstances.
- Obtain an understanding of The Road Home's internal control over compliance relevant to the
 audit in order to design audit procedures that are appropriate in the circumstances and to test
 and report on internal control over compliance in accordance with the Uniform Guidance, but
 not for the purpose of expressing an opinion on the effectiveness of The Road Home's internal
 control over compliance. Accordingly, no such opinion is expressed.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and any significant deficiencies and material weaknesses in internal control over compliance that we identified during the audit.

Report on Internal Control over Compliance

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. A material weakness in internal control over compliance is a deficiency, or a combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. A significant deficiency in internal control over compliance is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the Auditor's Responsibilities for the Audit of Compliance section above and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies in internal control over compliance. Given these limitations, during our audit we did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses, as defined above. However, material weaknesses or significant deficiencies in internal control over compliance may exist that were not identified.

Our audit was not designed for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, no such opinion is expressed.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance. Accordingly, this report is not suitable for any other purpose.

Note 1 - Basis of Presentation

The accompanying consolidated schedule of expenditures of federal awards (the schedule) includes the federal award activity of The Road Home under programs of the federal government for the year ended June 30, 2022. The information is presented in accordance with the requirements of Title 2 U.S. Code of Federal Regulations Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Because the schedule presents only a selected portion of the operations of The Road Home, it is not intended to and does not present the financial position, changes in net assets, or cash flows of The Road Home.

Note 2 - Summary of Significant Accounting Policies

Expenditures reported in the schedule are reported on the accrual basis of accounting, except for subrecipient expenditures, which are recorded on the cash basis. When applicable, such expenditures are recognized following the cost principles contained in the Uniform Guidance, wherein certain types of expenditures are not allowable or are limited as to reimbursement.

Note 3 - Indirect Cost Rate

The Organization has not elected to use the 10% de minimis cost rate.
